

Shubha Banerjee - AI Resume

Shubha Banerjee

AI-Aware Backend and Automation Engineer

Email: shubhabanerjee8@gmail.com

GitHub: github.com/iamshubha

Focus

Integrating AI-assisted workflows, data pipelines, and model outputs into production systems with clear review paths and operational controls.

Selected Impact

Built automation-oriented backend workflows for reliable delivery.

Improved system efficiency while keeping service boundaries observable.

Designed AI-aware systems without treating model output as magic.

Skills

Backend integrations, automation, cloud systems, data workflows, model output review paths, production reliability, and robotics-adjacent infrastructure.
